Ephesians 4:11-13 (NIV). It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. The focus of the group will be on building up the body of Christ. To find our place in it and responsibility to it.

WHAT ARE SMALL GROUPS?

The small groups are the core of Evergreen. Groups can range anywhere from 3 to 16 people, and usually meet twice a month to discuss Biblical principles, and how you can apply them to your life. They provide a very accepting and safe atmosphere where you can grow in your relationship with Christ. You will also be able to build many new friendships with those inside, and outside, of your group.

WHO CAN JOIN A SMALL GROUP?

If you answer yes to the following questions, you are a perfect addition to our small groups!

- I consider Evergreen my church home, or, I'm investigating it as my church home.
- I am willing to commit to my small group by attending the scheduled meetings.
- I am willing to be open with my life, my struggles, and my doubts.
- I will hold the information others share as personal and confidential.
